STANDARD TRUCKLOAD BILL OF LADING CONTRACT TERMS AND CONDITIONS

§ 1. (a) The carrier or party in possession of any of the property herein described shall be liable as at common law for any loss thereof or damage thereto, except as hereinafter provided.

(b) No carrier or party in possession of all or any of the property herein described shall be liable for any loss thereof or damage thereto or delay caused by the act of God, the public enemy, the authority of law, or the act or default of the shipper or owner, or for natural shrinkage. Except in case of negligence of the carrier or party in possession (and the burden to prove freedom from such negligence shall be on the carrier or party in possession), the carrier shall not be liable for loss, damage, or delay occurring while the property is stopped and held in transit upon the request of the shipper, or resulting from a defect or vice in the property.

§ 2. (a) No carrier is bound to transport said property in time for any particular market or otherwise than with reasonable dispatch. Every carrier shall have the right in case of physical necessity to forward said property by any carrier or route between the point of shipment and the point of destination.

(b) In all cases not prohibited by law, where a lower value than actual value has been represented in writing by the shipper or has been agreed upon in writing as the released value of the property as determined by the classification or tariffs upon which the rate is based, such lower value plus freight charges if paid shall be the maximum amount to be recovered, whether or not such loss or damage occurs from negligence.

§ 3. (a) As a condition precedent to recovery, claims must be filed in writing with a participating carrier within nine months after delivery of the property or in the case of failure to make delivery within 9 months after a reasonable time for delivery has elapsed.

(b) Suits shall be instituted against any carrier only within two years and one day from the day when notice in writing is given by the carrier to the claimant that the carrier has disallowed the claim or any part or parts thereof specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, no carrier hereunder shall be liable, and such claims will not be paid.

(c) Any carrier or party liable on account of loss of or damage to any of said property shall have the full benefit of any insurance that may have been effected upon or on account of said property, so far as this shall not avoid the policies or contracts of insurance. Provided, That the carrier reimburse the claimant for the premium paid thereon.

§ 4. (a) Property not accepted by the consignee, after notice of the arrival of the property at destination has been duly sent or given, may be kept subject to the tariff charge for storage and to carrier's responsibility as warehouseman, only, or at the option of the carrier, may be stored in a public or licensed warehouse at the cost of the owner, and there held without liability on the part of the carrier, and subject to a lien for all freight and other lawful charges, including a reasonable charge for storage.

(b) Where nonperishable property is refused at destination by the consignee or where the consignee fails to receive it within 15 days after notice of arrival shall have been duly sent or given, the carrier may sell same at public auction to the highest bidder, at such place as may be designated by the carrier.

(c) Where perishable property which has been transported to destination and the consignee or party entitled to receive it has failed to receive it promptly, the carrier may, in its discretion, to prevent deterioration, sell the same to the best advantage at private or public sale.

(d) Where the procedure provided for in the two paragraphs last preceding is not possible, it is agreed that nothing contained in said paragraphs shall be construed to abridge the right of the carrier at its option to sell the property under such circumstances and in such manner as may be authorized by law.

(e) The proceeds of any sale made under this section shall be applied by the carrier to the payment of freight, demurrage, storage, and any other lawful charges and the expense of notice, advertisement, sale, and other necessary expense and of caring for and maintaining the property, if proper care of the same requires special expense, and should there be a balance it shall be paid to the owner of the property sold hereunder.

§ 5. No carrier hereunder will carry or be liable in any way for any documents, specie, or for any articles of extraordinary value not specifically rated in the published classifications or tariffs unless a special agreement to do so and a stipulated value of the articles are indorsed hereon.

§ 6. Every party, whether principal or agent, shipping explosives or dangerous goods, without previous full written disclosure to the carrier of their nature, shall be liable for and indemnify the carrier against all loss or damage caused by such goods, and such goods may be warehoused at owner's risk and expense or destroyed without compensation.

§ 7. (a) The consignor or consignee shall pay the freight and all other lawful charges accruing on said property. The consignor shall be liable for the freight and all other lawful charges unless the consignor stipulates, by signature, in the place provided for that purpose on the face of the bill of lading the carrier shall not make delivery without requiring payment of such charges and the carrier, contrary to such stipulation, shall make delivery without requiring such payment.

(b) Consignee becomes liable for freight charges upon receipt unless the consignee is an agent only and has no beneficial title in said property; and prior to delivery has notified the delivering carrier of these facts.

(c) Nothing herein shall limit the right of the carrier to require at time of shipment the prepayment or guarantee of the charges. If upon inspection it is ascertained that the articles shipped are not those described in this bill of lading, the freight charges must be paid upon the articles actually shipped.

§ 8. If this bill of lading is issued on the order of the shipper, or his agent, in exchange or in substitution for another bill of lading, the shipper's signature to the prior bill of lading as to the statement of value or otherwise, or election of common law or bill of lading liability, in or in connection with such prior bill of lading, shall be considered a part of this bill of lading as fully as if the same were written or made in or in connection with this bill of lading.

§ 9. (a) All surface transportation provided under this bill shall be subject to federal statute and common law otherwise applicable to regulate interstate shipments. U.S. statutes and regulations shall apply unless otherwise waived by signed written agreement.

(b) If all or any part of said property is carried by water, and the loss is carried by water and loss, damage, or injury to said property occurs while it is in the custody of the carrier by water, the liability of such carrier shall be determined by the applicable bill of lading and under laws and regulations applicable to transportation by water.

ITEM 105 **BILLS OF LADING, CONTRACTS AND AUTHORITY OF COMPANY PERSONNEL**

ONLY Carrier officials or personnel authorized to do so by the Carrier are empowered to enter into agreements or alter existing agreements. Authorized officials are Carrier personnel with the title of President or Vice President. Terminal managers are not authorized personnel. Drivers employed or hired by Carrier are among those excluded from the category of authorized carrier personnel. Where a Bill of Lading issued by the shipper is signed for by the Carrier's driver or other unauthorized person(s), that signature acknowledges only receipt of the freight and identifies the entity to which to deliver. It is NOT a contract for the carriage of freight. Continued use of an unauthorized Bill of Lading by the shipper will NOT constitute an implied acceptance by Carrier. Carrier drivers are not authorized to accept freight for which Section 7 is executed or to bind the company for other types of nonrecourse language.

ITEM 110 **BROKERAGE AUTHORITY**

Carrier reserves the right to provide transportation service through any affiliated or unaffiliated brokerage, rather than acting as motor carrier. In the event Carrier chooses to handle the shipment through a broker, Carrier's liability and obligations shall be as a broker and not a carrier. In the event that the broker is listed on the bill of lading as the carrier, this is for convenience only and is not intended to indicate that the broker is the carrier.

ITEM 115 **SUBSEQUENT VERIONS OF THIS TARIFF**

When this tariff is amended, all shipments accepted by Carrier after the amendment are subject to the revision. The current tariff is available by request or at the Carrier's website at www.suntransllc.com/tariff.

ITEM 120 **INTERPRETATION OF THIS TARIFF**

No provision of this Tariff may be altered or amended orally, and any deviation from this Tariff must be in writing and agreed to by an Authorized Official of Carrier (see Item 105). This Tariff is subject to change without notice. The version of the Tariff in effect at the time of the acceptance of the shipment shall apply to the shipment.

ITEM 170**WAIVER**

Carrier's failure to enforce the terms of this Tariff shall not be a waiver of the Carrier's rights to do so in the future.

ITEM 175**CONSENT TO JURISDICTION**

Unless the Carrier and purchaser of carrier's services have previously agreed in writing to proceed otherwise, the Carrier and the purchaser of Carrier's services consent to the exclusive personal jurisdiction of the State and Federal Courts embracing Greenville County, South Carolina for filing all civil actions arising out of the transportation services performed, or to be performed by Carrier.

SECTION 2- OPERATIONS

ITEM 200

APPLICATION OF CIRCULAR

Each provision of this Tariff shall apply to each transportation agreement entered into by carrier unless expressly waived in a signed, written agreement.

ITEM 205

APPOINTMENTS/PICKUP & DELIVERY TIMES

Pick-ups and deliveries shall be during customer's normal business hours. Appointments shall be made at no charge. Carrier shall not be liable for late deliveries or un-kept appointments. Consignee shall facilitate prompt unloading in the event of missed appointments.

ITEM 210

COMMODITY LIMITATIONS

Carrier does not provide service related to transportation of jewelry, objects of art, currency, documents, and items of unusual value or rare metals. Unless otherwise indicated herein or agreed to by contract, Carrier does not provide temperature controlled service. Shipper may not attempt, through internal packaging or otherwise, to ship temperature sensitive freight through Carrier. This includes packing freight in containers or dry ice or any other attempt to transform non refrigerated service into temperature controlled service.

ITEM 215

CONVENIENCE INTERLINING

In order to provide the most efficient, economical service to the shipping public, Carrier will utilize the service of the other named carriers participating in this tariff to achieve the transportation service required for tendered shipment, EXCEPT if bills of lading covering tendered shipments are noted by shippers that "convenience interlining not applicable", convenience interlining will not be utilized. Interchange of freight of service will be at points common to the authorized service of Carrier. Shipments accorded "convenience interlining" shall move on the bill of lading of Carrier, who shall assume responsibility for the lading, and such shipments shall be charged for service performed exclusively by Carrier.

ITEM 220

DROPPED TRAILERS

Carrier may, for the convenience of its customers, drop trailers at a designated location. Carrier's customer assumes responsibility for loss of damage to such trailers until such time as Carrier accepts the freight tendered on the dropped trailer. Carrier has no liability for loss or damage to freight on a dropped trailer until such time as Carrier's driver accepts such freight.

ITEM 225**HAZ-MAT SHIPMENTS**

All loads requiring the Carrier's driver to have a current Haz-Mat endorsement will be subject to a surcharge of \$100.00 per load. This surcharge will be added as a separate line item to the freight bill.

ITEM 230**IMPORT & EXPORT FREIGHT – CANADA/MEXICO**

Limitation of Carrier's Liability for Proper Customs Clearance. Carrier assumes no responsibility for insuring or otherwise providing for clearance of merchandise through or inspection by Canadian or Mexican Customs. Carrier does not represent and specifically disclaims any knowledge or expertise in proper customs clearance and inspection matters. Carrier is not responsible for the acts or omission of any Customs Agent or its affiliated Freight Forwarder that may be selected for the purpose of clearing shipper's merchandise through Customs. Carrier will serve merely as a liaison between shipper and the Customs Agent (and the Customs Agent's Freight Forwarder) at shipper's request and only as a convenience to shipper. Carrier or party in possession shall not be liable for loss, damage, deterioration of the freight or delay in delivery due to the duration of the period required by customs clearance or inspection.

ITEM 235**IMPRACTICAL OPERATIONS**

Nothing in this rule circular shall require the carrier to perform pick-up or delivery service at any location from or to which it is impracticable, through no fault or neglect of the carrier to operate vehicles because of:

- (A) The condition of roads, streets, driveways, or alleys;
 - (B) Inadequate loading or unloading facilities; or
Riots, Acts of God, the public enemy, the authority of law, strikes or labor unrest the existence of violence, or such possible disturbances as to create reasonable apprehension of danger to person or property.
-

ITEM 240**INDEMNITY**

Carrier and shipper will each indemnify, defend and hold the other harmless from and against any liability, losses, damages, claims, judgments, fines, penalties, lawsuits and expenses ("Costs") resulting from personal injury, property damage (other than cargo), or violation of the law caused by their respective negligent or wanton acts or omissions.

ITEM 245**INTERMODAL SHIPMENTS**

Carrier does not participate in the Uniform Intermodal Interchange Agreement (UIIA). See Section 6 for rules applicable to Intermodal Shipments.

ITEM 250**ON-HAND SHIPMENTS**

From time to time and for various reasons, freight may be deemed to be "on-hand." Freight will be deemed on-hand with or without notice. When freight is "on-hand" the legal liability of Carrier is altered from that of a motor carrier to that of a warehouseman pursuant to the Uniform Commercial Code. The procedures which Carrier agrees to and will take as a warehouseman involve the use of ordinary care to keep the lading in a safe or

suitable place or to store the lading properly. Carrier shall (a) place the lading in public storage, if available, unless Carrier receives contrary disposition instructions from Shipper within twenty-four (24) hours, and (b) if disposition instructions are not given by Shipper within ten (10) days of Carrier's initial notification to Shipper, Carrier may offer the lading for public sale. In the case of perishable lading, Carrier may dispose of the lading at a time and in a manner Carrier deems appropriate. Shipper will be responsible for storage costs and reasonable costs Carrier incurs in acting as a warehouseman. To the extent any sale or disposal revenues exceed the storage costs and the costs Carrier incurs as a warehouseman, Carrier shall remit the balance to Shipper. If Shipper gives Carrier timely disposition instructions, Carrier shall use any commercially reasonable steps to abide with such instructions. Shipper will pay Carrier's costs and any additional transportation costs Carrier incurs in doing so.

ITEM 260**PACKAGING REQUIREMENTS**

Where packaging requirements are not otherwise provided by tariff or contract, the packaging requirements of NMF Series 100 will apply. Where packaging requirements are provided in this tariff, rates provided therewith will apply only when the article or articles are packaged in accordance with such packing requirements, except that rates subject to such packaging requirements will apply also when the article or articles so packed as required are placed on pallets.

ITEM 262**PACKING OR PACKAGING, BLOCKING, RACKS, STANDARDS OR SUPPORTS**

Any temporary blocking, flooring or lining, racks, pallets, standards, stakes or similar bracing, dunnage or support or other commonly used items not constituting a part of the truck when required to protect and make freight secure for shipment, will be furnished and installed at the expense of the shipper unless Carrier has agreed to supply said equipment free of charge. The weight of this equipment shall be considered part of the shipment.

ITEM 265**PICKUP & DELIVERY SERVICE**

The rates names herein include pickup or delivery at all points within the limits of the cities, towns, villages and other points from and to which rates apply, but each shipment will include only one pickup and one delivery.

ITEM 270**RIGHT TO OPEN/INSPECT**

Carrier reserves the right to open/inspect any freight which has been accepted for shipment, including loads that have been sealed.

ITEM 273**SERVICE STANDARDS**

Unless Guaranteed Service is requested and agreed to by an authorized agent of Carrier (See Item 105), freight shall be delivered upon reasonable dispatch. Appointment times and notations such as "must deliver by" on the bill of lading are insufficient to alter the reasonable dispatch standard unless Guaranteed Service is requested and agreed to. To request Guaranteed Service and for terms and conditions, call Carrier Pricing Department at 864-295-9280 ext. 203.

ITEM 275**SHIPPER LOAD & COUNT**

All shipments shall be loaded by the consignor and unloaded by the consignee. Carrier's drivers are instructed to sign bills of lading as shipper load and count or "SLC". Inadvertent omission of this notation shall not result in a presumption of carrier liability for shortage or damage (in the absence of upset or accident) where the driver was either not present or not allowed to observe the loading and unloading.

ITEM 280**SUBSTITUTED SERVICE**

For its operating convenience, carrier reserves the right to hire other carriers qualified subcontractors to provide all or part of given movements. Carrier agrees to protect the rates set forth herein when substituted services are provided and warrants that all terms, conditions, duties and obligations owed to shipper by this circular, bill of lading, and/or contract will be provided.

ITEM 285**TERRITORIAL SCOPE**

Carrier is authorized by the Federal Motor Carrier Safety Administration (FMCSA) under US DOT No. 1258883:

"To operate as a contract carrier, by motor vehicle, in interstate or foreign commerce, over irregular routes, transporting general commodities (except classes A and B explosives, household goods and commodities in bulk), between points in the United States (except Alaska and Hawaii)."

ITEM 290**WEIGHTS**

2. Maximum weight per vehicle shall be 45,500 lbs.
3. Weights include pallets or other shipping materials.

- (A) Carrier shall, upon receipt in writing of a proper claim in the manner and form described in these regulations, acknowledge the receipt of such claim in writing to the claimant within thirty (30) days after the date of its receipt by carrier unless carrier shall have paid or declined such a claim in writing within thirty (30) days of the receipt thereof. Carrier shall indicate in its acknowledgment to the claimant what, if any, additional documentary evidence or other pertinent information may be required by it to further process the claim as its preliminary examination of the claim, as filed, may have revealed.

- (F) Claims filed for uncertain amounts. Whenever a claim is presented against carrier for an uncertain amount such as "\$100 more or less," carrier shall determine the condition of the shipment involved at the time of delivery by it, if it was delivered, and shall ascertain as nearly as possible the extent, if any, of the loss or damage for which it may be responsible. - (I) Verification of loss. A prerequisite to the voluntary payment by carrier of a claim for loss of an entire package or an entire shipment shall be the securing by it of a certified statement in writing from the consignee of the shipment involved that the property for which the claim is filed has not been received from any other source.
- (J) Carrier shall pay, decline, or make a firm compromise settlement offer in writing to the claimant within one hundred twenty (120) days after receipt of the claim by carrier; provided, however that if the claim cannot be processed and disposed of within 120 days, after expiration of each succeeding sixty (60) day period while the claim remains pending, carrier shall advise the claimant in writing of the status of the claim and the reason for delay in making final disposition thereof and it shall retain a copy of each advice to the claimant in its claim file thereon.

 - (C) Upon receipt of a shipment on which salvage has been processed in the manner herein before prescribed, carrier shall record on its claim file thereon the lot number assigned, the amount of money recovered, if any, from the disposition of such property, and the date of transmittal of such money to the person or persons lawfully entitled to receive the same.
